To whom it may concern:

It is our great pleasure to write a letter of recommendation for Ali Reynolds of Cargill Interiors, Inc.

We were introduced to Ali through our decorators at Kemble Interiors in Palm Beach when we purchased our home in September, 2013. We wanted to make cosmetic changes to the home and, in addition, to a number of construction issues that we encountered. From the day that we met Ali it was clear that we were going to enjoy working with her. She is highly professional and very experienced. She listened to our ideas and made some very positive suggestions for us to get exactly what we wanted. She has an unbelievable attention to detail and follows through with every one of these details.

Ali had an excellent working relationship with the contractor that we used. She designed all of the bathroom cabinetry and the extensive remodel that we did in our den and drew up the plans for all of these projects. She was 'on the spot' if there were any questions from the contractor and came right over to the house if there were any questions. She worked with us in getting all of the bathroom hardware. I cannot imagine that we could have done the project without her.

You will be in expert hands with Ali Reynolds. Please feel free to call us if you wish further information. We have nothing but praise for the job that she did for us.

Sincerely,

*Sam and Mary Jane Armacost*
