To Whom it May Concern:

It is with great pleasure that I write to share with you my family's wonderful experience working with Ali Reynolds of Cargill Interiors.

Ali is a superb professional in all ways – efficient, detail-oriented, with passion for her work and all with a wonderful creative side. Ali possesses honesty and character that is lost on so many in today's world.

For all of the above and many more reasons, I cannot recommend Ali Reynolds and Cargill Interiors more. Please do not hesitate to call me at if I can be of any further assistance.

Sincerely,

*Carroll M. Carpenter*
