To Whom It May Concern:

It is my great pleasure to provide a letter of recommendation for Alexandra Reynolds. She and I have worked on a number of projects during the past 8 years, and her cheerful attitude, great management skills and design talent have made her a tremendous asset for Kemble Interiors.

As an independent contractor, she has not only designed kitchens and built in units for our clients, but has the wonderful ability to work in harmony with the architect, general contractor, client and designer to create the perfect room. No job or request is too small for Ali, and our clients love her prompt and professional results.

This partnership has been so successful, that our clients continue to call on Ali to oversee their projects, renovations and repairs. She is the perfect combination of designer and manager, accomplishing projects in a cost efficient and timely manner, accompanied by her amazing attitude and thoughtfulness.

If you have any further questions, please feel free to get in touch with me.

Sincerely,

Keithley Miller
