To whom this may concern:

Alexandra Reynolds, of Cargill Interiors, has designed two kitchens for us in the past few years. Ali was very capable of interpreting what my wife and I were looking for. Her attention to detail was extremely helpful. She was able to suggest forms and spaces, which became very convenient. Her selection of kitchen appliances was judicious, in the sense of picking what was practical and not unnecessary.

My wife & I were delighted with her advice and with her guidance through out the process.

Sincerely,

Jorge A. Sánchez
