To Whom It May Concern:

I am writing a general letter of recommendation in support of Alexandra C. Reynolds. My husband and I have known Alexandra for approximately 7 years and find her to be a personable woman of high character.

We came to know Alexandra when we were renovating our home in Palm Beach and she was in charge of designing and installing a new kitchen and 7 bathrooms. She also played a large role with the selection of various electronic equipment such as multiple televisions and home entertainment centers. She handled all of her duties in a prompt, courteous and professional manner. We were very pleased with the outcome and I received several positive comments from subcontractors about how she conducted herself during the process.

Alexandra is very talented and extremely well-qualified to handle numerous duties associated with high-end homes in the Palm Beach area and she receives my strongest recommendation.

Sincerely,

A handwritten signature in cursive script that reads "Debbie Thomas". The signature is written in black ink and is positioned above the typed name.
