To whom it may concern:

It is my great pleasure to write a letter of recommendation for Alexandra Reynolds of Cargill Interiors, Inc.

My wife and I were introduced to Alexandra through our decorators at Kemble Interiors in Palm Beach when we purchased our apartment in January 2015. Our plan was to do a complete renovation of the apartment-kitchen, bathrooms, floor, doors, and hurricane windows. And, the apartment needed new electrical, plumbing and air conditioning systems.

From the day that we met Alexandra it was clear that we were going to enjoy working with her. She is highly professional and very experienced. She listened to our ideas and made some very positive suggestions for us to get exactly what we wanted. She designed all elements of our kitchen, two bathrooms, and three closets. She guided us in our selection of kitchen appliances, floor material, tile, cabinetry, countertops, plumbing fixtures, doors and trim. She created a beautiful installation pattern for the marble on all the floors in the apartment, which created a flow from room to room that united the apartment. Alexandra demonstrated throughout her great attention to detail and follow through with the purchase and installation of every element of her design.

Alexandra had an excellent working relationship with the contractor that we used. She was always available on the spot if there were any questions from the contractor.

You will be in expert hands with Alexandra Reynolds. Please feel free to contact me if you wish further information. My wife and I have nothing but the highest praise for the job that she did for us.

Sincerely

Don Wolf
